

# Flat Jesus

As we keep our  
social distance,  
don't let me get distant from you!

Germs cannot harm me,  
so let's hang together  
and dispel the illusion of  
isolation.

For I am always with you!

As you spend time at home these  
weeks, snap a pic of the fun  
things we're doing,  
and send your pics to  
[pastor@lightofchristecc.org](mailto:pastor@lightofchristecc.org).
